INMA'S SPANISH SANGRIA

After many years of 'discussion', our good friend and longtime customer, Inma, finally agreed to give us her secret Sangria recipe. Her recipe comes from her family in Pinto Spain. We promised her we would not change a thing, and that we would use a Spanish Tempranillo and Cuarenta y Tres liqueur just like her family does (along with a few other secret ingredients, Of course.) We know you will enjoy it as much as we do. 6.49
